Subject: Former Burlington Industries Cheraw Site - Phase II Soil/Sediment Assessment Schedule

Hi Matt,

AECOM is scheduled to return to the above-referenced site on Monday, April 2nd to conduct additional soil and sediment sampling at the park (soils only), Western Ditch (sediments), and the facility (soils). We should be receiving most of the analytical results for the Phase I sampling by the end of this week. These results will guide the selection of the step-out locations.

Thanks,

Subject: FOIA Assignment for EPA-R4-2018-011500

Hello to all,

In order for me to finish up processing the FOIA described below, I need for you to send me all of your calendars appointments regarding this site (see highlighted area below) for the time period of January 1, 2017 through July 31, 2018. If you can kindly have the information to me by Friday, November 30, 2018, it would be greatly appreciated. Thank you!

Kathy

- Description: Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, I request access to and electronic copies of correspondence including emails and attachments related investigations into the existence, liability, and viability of Potentially Responsible Parties (PRPs) for the Burlington Cheraw Industries Site including Guidestone Financial Resources. Please include all correspondence, emails and attachments, and correspondence records, between the Environmental Protection Agency and Guidestone Financial Resources, including representatives and agents of Guidestone Financial Resources. In addition, please include any calendar appointments and meeting agenda in which Guidestone Financial Resources was a participant or subject of discussion. Please provide this information piecemeal as it is gathered, rather than waiting for the entire request to be completed

Kathy,

In response to the Burlington Industries, Cheraw Site, I located this one calendar entry between Teresa Mann and myself back in June (Guidestone was not a participant). I have no other responsive entries.

Thank you,

Marianne
